

Court of Appeals, State of Michigan

ORDER

New Covert Generating Company LLC v Township of Covert

Docket No. **348721**

LC No. **12-000246-TT**

Christopher M. Murray, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED IN PART** for lack of jurisdiction. The claim of appeal is dismissed as to the March 11, 2019 order “awarding sanctions pursuant to MCR 2.114,” because the claim of appeal was not filed within 21 days after entry of that order and no motion for rehearing, reconsideration, or other relief from that order was filed within the initial 21-day appeal period after entry of the order. MCR 7.204(A)(1). “The time limit for an appeal of right is jurisdictional.” MCR 7.204(A).

This appeal remains proceeding only as to the February 8, 2019 order “regarding attorney fees.” Dismissal of the claim of appeal as to the March 11, 2019 order is without prejudice to the filing of a late appeal under MCR 7.205(G), provided such a filing meets all requirements under the court rules and is not time-barred.
